Dear Suppliers

I am delighted to write to you on my first day as Chief Executive Officer of Murray Goulburn Co-operative Limited (MG). I feel privileged to have the opportunity to lead this important Australian business as we navigate the next chapter together.

When the announcement of my appointment was made in December, I prioritised the need to engage with as many of you as is practical. To this end, I am happy that every effort is being made to achieve this commitment, and invitations to multiple gatherings in all regions will be sent to you shortly.

It remains essential we have an opportunity to get to know one another and discuss your views on MG and the industry. In light of the immense challenges so many of you continue to face, it is vital that I have the opportunity to hear your assessment of the current situation.

While I am visiting the regions, I will also meet with our employees as well as representatives from government and local MPs, industry and the media.

Finally, I would like to thank David Mallinson who has played a vital role in managing MG during challenging times. I am grateful for his deep expertise and professional support and look forward to working with David over the coming months.

While I appreciate the enormity of the challenges and responsibilities of the role, I sincerely look forward to the opportunity presented.

Yours sincerely,

Ari Mervis
Chief Executive Officer
