MG acknowledges ACCC proceedings

Dear Suppliers

Murray Goulburn Co-operative Co Limited (MG) has been notified by the Australian Competition and Consumer Commission that it has filed proceedings against MG in the Federal Court of Australia.

The proceedings have been served on MG today and allege that MG engaged in unconscionable conduct and made false or misleading representations in contravention of the Australian Consumer Law. These allegations arise in connection with the milk price decrease announced by MG in April 2016.

MG is considering the proceedings, however notes that ACCC has decided not to seek a pecuniary penalty against MG.

The ACCC announcement in relation to this can be found at www.accc.gov.au

Yours sincerely,

Cameron Smith
