SAPUTO SUPPORTS UPGRADE TO NETBALL COURTS IN KIEWA

Saputo Dairy Australia is pleased to announce a contribution of \$30,000 to fund the upgrade of the Kiewa netball courts.

Members of the Indigo Shire Council, Kiewa Sandy Creek Netball Club and Saputo Dairy Australia staff will gather at the club today at 3.30pm for an afternoon tea to announce the local community investment.

"We are so excited to have this funding from Saputo Dairy Australia. This has been a long time coming and the whole club is very passionate about the upgrade," said Dawn Cardwell, Netball Treasurer. "This upgrade will allow the club members to get full use of the facilities and guarantee that the Netball Club will continue to support the community's sporting activity for years to come."

Lino A. Saputo, Jr., Chairman of the Board and Chief Executive Officer at Saputo, said "We are thrilled to have the opportunity to support our community. Our Legacy Program is driven by actively participating in improving facilities and helping our communities lead active and healthy lifestyles."

As part of its commitment to be an engaged, responsible and leading corporate citizen, the Company established the Saputo Legacy Program – an initiative to invest in communities by helping fund the improvement of sport and health facilities.

Local projects, like the upgrade to the Kiewa Sandy Creek Netball courts, which are part of the Kiewa/Tangambalanga community, enable Saputo to carry out its efforts to encourage families to be physically active and make meaningful contributions in communities where employees live, work and play. Since its launch, Saputo has contributed approximately \$2.4 million toward 39 Legacy projects in Canada, the United States, Argentina and Australia.

Community engagement is important to Saputo and the Company strives to invest 1% of its pre-tax profits each year in community programs and organizations that promote a healthy lifestyle for people of all ages. To learn more, visit www.saputo.com/Our-Promise/Community.

About Saputo Dairy Australia
